On November 14, 2002, the Company acquired a significant amount of assets in a non-cash transaction. The assets generally consist of physical and intellectual property. The value of the assets is approximately 4.4 million dollars, based on the results of an examination of the seller's audited and unaudited financial statements. The Company believes that this valuation is the current fair market value of the assets. The Company acquired the assets in exchange for 30,320,552 shares of its common stock and a promissory note in the amount of \$4,319,000. For the purposes of this transaction the stock of the Company was valued at \$0.002/share, the company's average market share price for the past week. The assets were acquired from Alphacom, Inc., a Nevada Corporation. The purchase price may be adjusted downward regarding the issuance common stock to the seller if the seller does not secure equity funding and/or licensed revenue in the amount of \$10,000,000 during the next twelve months. The portion of the Purchase Price to be allocated to the Purchased Assets shall be allocated among the Purchased Assets in accordance with the respective fair market values of the Intellectual Property and other Purchased Assets pursuant to an allocation schedule prepared by Buyer after the Closing in accordance with Section 1060 of the Code and the regulations adopted thereunder. Neither Seller nor Buyer will take a position on any income tax return, before any governmental agency charged with the collection of any income tax, or in any judicial proceeding that is in any way inconsistent with the terms of this Section 2(c), and Seller and Buyer shall file Form 8594 with the IRS in a manner consistent with this allocation. (d) Assumption of Liabilities. Buyer is not assuming under this Agreement or any other Transaction Document any Liability of Seller, including any of the following (each, an "Unassumed Liability"): (i) Liabilities arising out of any Default by Seller of any provision of any Contract; (ii) any product liability or similar claim for injury to any Person or property, regardless of when made or asserted, that arises out of or is based upon any express or implied representation, warranty, agreement or guarantee made by Seller, or alleged to have been made by Seller, or that is imposed or asserted to be imposed by operation of law in connection with any service performed or product sold or leased by or on behalf of Seller on or prior to the Closing; (iii) any Federal, state or local income or other Tax payable with respect to the Business, the Purchased Assets, or other properties or operations of Seller or any member of any affiliated group of which Seller is a member for a period prior to the Closing Date; (iv) any Liabilities arising prior to the Closing Date or as a result of the Closing for severance, bonuses, or any other form of compensation to any employees, agents or independent contractors of Seller, whether or not employed by Buyer after the Closing and whether or not arising or under any applicable Law; (v) any Liabilities of Seller arising or incurred in connection with the negotiation, preparation and execution of this Agreement and the Transactions; (vi) any Liabilities to give credits or take other remedial actions for defective goods or services; (vii) any Liabilities for money borrowed; (viii) any Liability of any Seller Party or Affiliate thereof based upon an act or omission of such Person after the Closing; and (ix) any other Liabilities, regardless of when made or asserted, that are not specifically assumed hereunder.

(e) Adjustment of Purchase Price. In the event that the covenant set forth in Section 7(h) hereinbelow is not satisfied, the number of Purchase Shares available for release from the Escrow Account to Seller shall be decreased. For example, if Buyer receives aggregate gross proceeds of \$7,000,000 from equity investments and license revenues during the 12 months immediately following the Closing Date, the number of Purchase Shares that will be released to Seller from the Escrow Account would be equal to:

$(\$7,000,000 / \$10,000,000) \times 30,320,552 = 21,224,386.40$ rounded to 21,224,387

The purchase price payable as full consideration for the Purchased Assets (the "Purchase Price"), shall be (i) the issuance to Seller of 30,320,552 shares of Buyer Shares (the "Purchase Shares"), and (ii) the issuance of a promissory note substantially in the form attached hereto as Exhibit C in the original principal amount of \$4,319,000, or such lesser amount as is actually due from time to time by Seller to those Persons in the amounts set forth on Schedule 5(h) hereto (the "Note"). The Purchase Shares issuable to Seller is subject to change pursuant to the terms of Section 2(e) hereinabove.

(b) Issuance of Purchase Shares. All of the Purchase Shares constituting the Purchase Price shall be issued in the name of Seller or in the name or names designated by Seller on or prior to the Closing Date. The Purchase Shares shall be placed in an escrow account maintained by Escrow Agent in New Orleans, Louisiana (the "Escrow Account") to be released to Seller or Seller's designee(s) according to the terms and conditions set forth herein and in that certain Escrow Agreement, which shall be substantially in the form attached hereto as Exhibit A.

(s) Disclosure.

(i) No representation or warranty by Seller in any Transaction Document or in any schedule, exhibit, or attachment thereto, and no information contained therein or otherwise delivered by or on behalf of Seller to Buyer in connection with the Transactions, including the Financial Statements contains any untrue statement of a material fact or omits to state any material fact necessary in order to make the statements contained herein or therein not misleading in light of the circumstances under which such statements were made.

(v) Accredited Investor; Experience. Seller represents that it is an "accredited investor" as such term is defined in Rule 501(a) promulgated under the Securities Act and is experienced in evaluating and investing in companies such as Buyer, is familiar with the risks associated with the business and operations of Buyer, has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of its investment, and has the ability to bear the economic risks of its investment. Seller agrees that in no event will it make a transfer or disposition of any of the Purchase Shares or such other securities, which have a legend substantially in the form set forth in Section 5(x) imprinted thereon, unless and until (i) Seller shall have notified Buyer of the proposed disposition and (ii) if requested by Buyer, Seller shall have furnished to Buyer, at the expense of Seller or its transferee, an opinion of counsel reasonably satisfactory to Buyer to the effect that such transfer may be made without registration under the Securities Act and applicable state securities laws, except that no such opinion need be delivered in connection with a transfer or disposition made pursuant to Rule 144 or Rule 145 promulgated under the Securities Act.

(x) Legends. Seller agrees that the Purchase Shares will, in addition to any other legend(s) required by law or agreement, be stamped or otherwise imprinted with a legend in substantially the following form (provided that such legend shall be removed when no longer required by law or by this Agreement or other agreement, or upon receipt by Buyer of an opinion of counsel reasonably acceptable to Buyer that the Purchase Shares can be transferred pursuant to Rule 144(k) or Rule 145 promulgated under the Securities Act):

judgment, or any order or decree of any court or other agency of government, or cause any acceleration thereof, to which Buyer, or any of their respective properties or assets are bound, or conflict with, result in a breach of or constitute (with due notice or lapse of time or both) a default under any such contract, indenture, agreement, or other instrument, or result in the creation or imposition of any Lien, charge, restriction, claim, or encumbrance of any nature whatsoever upon any of the properties or assets of Buyer which breach, default, Lien, charge, restriction, claim, or encumbrance would have a Material Adverse Effect on Buyer.

(b) Organization and Standing. Buyer is a corporation duly organized, validly existing, and in good standing under the laws of the State of Nevada and has full corporate power and authority to conduct its business as presently conducted and as proposed to be conducted by it and to enter into and perform this Agreement and to carry out the transactions contemplated by this Agreement.

(c) Capitalization. The authorized capital stock of Buyer consists of 100,000,000 shares of common stock, par value \$0.001 per share ("Common Stock"), of which 94,418,353 shares are issued and outstanding, and 5,000,000 shares of non-voting preferred stock, par value \$0.001 per share ("Preferred Stock"), of which no shares are issued and outstanding. All of the issued and outstanding shares of Common Stock and Preferred Stock, of all classes and series, have been duly authorized and validly issued and are fully paid and nonassessable. All of the issued and outstanding shares of capital stock of Buyer have been offered, issued, and sold by Buyer in compliance with applicable Federal and state securities laws. (d) Enforceability. This Agreement and the Transaction Documents to which Buyer is a Party have been duly executed and delivered by Buyer and, when duly executed by the other parties hereto and thereto, constitute the legal, valid, and binding obligation of Buyer, enforceable in accordance with their terms, subject as to enforcement of remedies to the discretion of courts in awarding equitable relief and to applicable bankruptcy, reorganization, insolvency, moratorium, and similar laws affecting the rights of creditors generally, and to the extent the indemnification provisions contained in this Agreement may be limited by applicable federal or state securities laws.

(e) Subsidiaries, Etc. Buyer has no subsidiaries and does not own or control, directly or indirectly, any shares of capital stock of any other corporation or any interest in any partnership, joint venture, or other non-corporate business enterprise.

No consent, approval, order, or authorization of, or registration, qualification, designation, declaration or filing with, any governmental authority is required on the part of Buyer in connection with the execution and delivery of this Agreement, the offer, issuance and delivery of the Purchase Shares, or the other transactions to be consummated at the Closing, as contemplated by this Agreement, except for any required blue sky or federal securities law filings and such filings as shall have been made prior to and shall be effective on and as of the Closing. Based on the representations made by Seller in Section 5 of this Agreement, the issuance of the Purchase Shares to Seller will be in compliance with applicable Federal and state securities laws.

(g) Accuracy of Information Furnished. No representation or warranty by Buyer in this Agreement, in any of the forms of agreements attached hereto as Exhibits or in the schedules attached hereto contains any untrue statement of a material fact or omits to state any material fact necessary to make the statements herein or therein, in light of the circumstances under which they were made, not false or misleading.

(h) SEC Filings. Buyer is a publicly traded company and, as such, has made available to Seller all required public disclosure documents that have been filed with the SEC for the past three years (the "SEC Filings").

(i) Liabilities. Except as set forth on Schedule 6(i) hereto, Buyer has no material liabilities and, to the best of its knowledge, knows of no material contingent liabilities not disclosed in the SEC Filings, except current liabilities incurred in the ordinary course of business subsequent to the last Form 10-QSB filed with the SEC which have not been, either in any individual case or in the aggregate, materially adverse to the Business of Buyer.

(j) Litigation. There is no action, suit, proceeding or investigation pending or, to Buyer's knowledge, currently threatened against Buyer that questions the validity of this Agreement, or the Transaction Documents or the right of Buyer to enter into any of such agreements, or to consummate the Transactions contemplated hereby or thereby, or which would reasonably be expected to result, either individually or in the aggregate, in any material

adverse change in the assets, condition or affairs of Buyer, financially or otherwise, or any change in the current equity ownership of Buyer, nor is Buyer aware that there is any basis for any of the foregoing. The foregoing includes, without limitation, actions pending or, to Buyer's knowledge, threatened involving the prior employment of any of Buyer's employees, their use in connection with Buyer's business of any information or techniques allegedly proprietary to any of their former employers, or their obligations under any agreements with prior employers. Buyer is not a party or to its knowledge subject to the provisions of any order, writ, injunction, judgment or decree of any court or government agency or instrumentality. There is no action, suit, proceeding or investigation by Buyer currently pending or which Buyer intends to initiate.

(k) Reliance. The foregoing representations and warranties are made by Buyer with the knowledge and expectation that Seller is placing complete reliance thereon.

7. Covenants of Seller.

(a) Notice of Any Material Change. Seller shall promptly after the first notice or occurrence thereof, but not later than the Closing Date, notify Buyer of the occurrence of any event or the existence of any state of facts that would make untrue in any material respect any of its representations and warranties in this Agreement.

(b) Conduct of Business Prior to Closing Date; Information. During the Pre-Closing Period, Seller shall conduct the operations of its businesses in the ordinary and usual course of business and consistent with past and current practices. During the Pre-Closing Period, Seller shall deliver to Buyer a copy of all documentation and a written summary of the material aspects of any written correspondence and/or oral communications regarding the Intellectual Property, especially the Patents, as soon as practicable, but in no event later than two business days following the transmission of such documentation, correspondence, and/or oral communication. With respect to written correspondence, Seller shall deliver a copy of the actual correspondence to Buyer within two business days of receipt of the written request from Seller.

(c) Certain Prohibited Transactions. Prior to the Closing, Seller will not:

- (i) directly or indirectly, through any officer, director, employee, representative, or agent of Seller or any of their respective subsidiaries, solicit or encourage (including by way of furnishing nonpublic information) or take other action, either directly or indirectly, to facilitate any inquiries or the making of any proposal that constitutes or may reasonably be expected to lead to the sale, change of control, or assignment, whether as a result of any merger or consolidation, or license of the Intellectual Property from any Person, or engage in any discussions or negotiations relating thereto or in furtherance hereof, or accept any such proposal regarding the sale, change of control, assignment, or license of the Intellectual Property without the prior written consent of Buyer, which consent may be withheld for any or no reason; or
- (ii) knowingly take any action that would cause the representations or warranties made by Seller herein to be inaccurate at the time of Closing.

(d) Negative Covenants. For a period of 12 months following the Closing Date, without the prior written consent of Buyer Shareholders owning at least 50% of the Fully-Diluted Shares of Buyer held by all Buyer Shareholders, Buyer shall not:

(e) Further Assignments. If Seller becomes aware of any Patents or other Intellectual Property that (a) are owned or controlled by Seller, (b) claim inventions made prior to the Closing Date, (c) cover or are used in connection with the Business or involve Very Minimal Shift Keying or Narrow Band Modulation, and (d) are not included in the IP Schedules, Seller will promptly notify Buyer in writing and execute appropriate documents to transfer such Patents to Buyer. In addition, to the extent that the assignment of any Contract, including, but not limited to, Contracts for the license of the Intellectual Property, shall require the consent of the party thereto, this Agreement shall not constitute an agreement to assign such Contract if an attempted assignment would constitute a breach thereof. Seller will use its best efforts to obtain the consent of the other parties to such contracts for the assignment thereof to Buyer. If such consent is not obtained in respect of any such Contract, Seller will cooperate with Buyer in any reasonable arrangement requested by Buyer to provide for Buyer the benefits under any such Contract, including enforcement for the benefit of Buyer of any and all rights of Seller against the other party thereto with respect to such Contract.

(f) Technology Transfer. Seller will cooperate in the filing and execution of any and all documents necessary to effectuate the assignment to Buyer of the Intellectual Property, including the filing of the Assignment(s) or other transfer of title covenants with the U.S. Patent and Trademark Office and foreign patent offices as applicable to the Intellectual Property. The cost of recording the Assignment(s) will be borne by Seller. As soon as practical following the Closing Date, but in no event later than 60 days following the Closing Date, Seller and their counsel will transfer all files and supporting documents in their possession relating to the Intellectual Property to Buyer, including but not limited to, all initial invention disclosure documents, all documents sent to the U.S. Patent and Trademark Office regarding inventions and claims, all draft patent applications, all filing or prosecution documents submitted to the patent offices, and all file wrappers. Conception notebooks and all other documents in the possession or under the control of Buyer or its counsel relating to conception and/or reduction to practice, such as scientist notebooks, shall be obtained in accord with Seller's ordinary document retention and made available to Buyer upon Buyer's reasonable request. All documents provided to Buyer hereunder shall be sent promptly.

(g) Appointment of Directors and Officers. As soon as practicable following the Closing Date, Seller, as the majority shareholder of Buyer, will appoint a new Board of Directors. The newly constituted Board of Directors will immediately convene a meeting at which the first order of business will be the appointment of the executive officers of Buyer. The names and addresses of the proposed directors and officers are set forth in Schedule 7(g) hereto.

Upon receipt of any investment or license proceeds pursuant to Section 7(h) hereinabove, Buyer may allocate seventy-five percent (75%) of such proceeds to the payment of the Note, up to a maximum aggregate amount of \$4,319,000. The remaining twenty-five percent (25%) of the proceeds may be used for any lawful purpose approved by the Board of Directors of Buyer.

(j) Inspection; Confidentiality. Seller will permit representatives of

Buyer to have full access at all reasonable times, in any manner so as not to interfere with normal business operations of Seller, to all premises, properties, personnel, books, records, including tax records, contracts, and documents pertaining to Seller and the Business. Buyer represents that any confidential information Buyer receives from Seller in the course of the reviews contemplated by this Section 7(j) will not be used in any manner except in connection with this Agreement and the Transaction, and, if this Agreement is terminated for any reason whatsoever, agrees to return to Seller all tangible embodiments and all copies thereof that are its possession.

In the event that the covenant set forth in Section 7(d) (iii) hereinabove regarding the limitation on the additional issuance of shares of capital stock of Buyer and Section 8(a) hereinabove regarding the limitation on the number of Fully-Diluted Shares that Buyer is permitted to have outstanding are not complied with, Buyer shall issue an additional number of shares of Common Stock to the Buyer Shareholders so that the Buyer Shareholders own the same percentage of the issued and outstanding Fully-Diluted Shares of Common Stock as such Buyer Shareholders owned immediately prior to the issuance that caused the breach of the covenants set forth in Section 7(d) (iii) and 8(a) hereinabove.

10. Conditions Precedent to Obligations of Buyer. Buyer's obligation to close the Transactions is subject to the satisfaction, or waiver by Buyer, on or prior to the Closing Date, of the following conditions (all of which shall be deemed satisfied or waived in the event the Transactions are consummated):

Seller agrees to indemnify and hold Buyer and its (if applicable) general and limited partners, shareholders, officers, directors, employees and agents (the "Buyer Indemnified Parties") harmless from and against any and all liabilities, losses, damages, costs, and expenses (including reasonable attorneys' fees) (collectively, "Damages") incurred or maintained by a Buyer Indemnified Party, because of any material inaccuracy in, or material breach or violation of, the representations, warranties, and covenants made by Seller in this Agreement. Seller hereby agrees to indemnify, and hold the Buyer Indemnified Parties free and harmless from and against any and all actions, causes of action, or suits that arose prior to

the Closing Date brought against them by third parties ("Third Party Claims"), and the Damages arising from any such Third Party Claim, incurred in the capacity as the owner of the Purchased Assets, including the Intellectual Property, by any of such Buyer Indemnified Parties as a result of or relating to the execution, delivery, performance, or enforcement of this Agreement, the Transaction Documents or any other agreement contemplated hereby or thereby. Seller shall not be liable in any manner to Buyer or Buyer Indemnified Parties pursuant to the terms described in this Agreement, whether for indemnification or otherwise, except for the indemnity as expressly provided in this Section 13 and this Section 13 provides the exclusive remedy and cause of action of Buyer and the Buyer Indemnified Parties with respect to any matter arising out of or in connection with the terms contained within this Agreement.

The Indemnifying Party shall have the right to defend a claim and control the defense, settlement and prosecution of any litigation, unless in the Buyer Indemnified Party's reasonable judgment a conflict of interest between such Buyer Indemnified Party and the Indemnifying Parties exists in respect of such claim (in which case the Buyer Indemnified Party shall have the right to retain one separate counsel, with the reasonable fees and expenses to be paid by the Indemnifying Party). If the Indemnifying Party, within ten days after notice of such claim, fails to defend such claim, the Buyer Indemnified Party will (upon further notice to the Indemnifying Party) have the right to undertake the defense, compromise or settlement of such claim on behalf of and for the account and risk of the Indemnifying Party, subject to the right of the Indemnifying Party to assume the defense of such claim at any time prior to settlement, compromise or final determination thereof. Anything in this Section 13(b) notwithstanding, (a) if there is a reasonable probability that a claim may materially and adversely affect the Buyer Indemnified Party other than as a result of money damages or other money payments, the Buyer Indemnified Party shall have the right, with the consent of the Indemnifying Party, not to be unreasonably withheld, at its own cost and expense, to defend, compromise and settle such claim, and (b) the Indemnifying Party shall not, without the written consent of the Buyer Indemnified Party, not to be unreasonably withheld, settle or compromise any claim or consent to the entry of any judgment which does not include as an unconditional term thereof the giving by the claimant to the Buyer Indemnified Party a release from all liability in respect to such claim. All Parties agree to cooperate fully as necessary in the defense of such matters. Should the Buyer Indemnified Party fail to notify the Indemnifying Party in the time required above, this indemnity shall terminate and be of no further force and effect with respect to the subject matter of the required notice in the event that the Buyer Indemnified Party's failure to notify in the time required above materially adversely affects the Indemnifying Party's ability to defend such matter.
