## QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING

### Why am I receiving these materials?

You have received these proxy materials because the Board of Directors (our “Board” or the “Board of Directors”) of Flux Power Holdings, Inc. (“we”, “us,” “our,” the “Company” or “Flux”) is soliciting your proxy to vote at the 2026 Annual Meeting (the “Annual Meeting”). This proxy statement, along with the accompanying Notice of Annual Meeting of Stockholders, summarizes the purposes of the meeting and the information you need to know to vote at the annual meeting. We have made available to you on the Internet this proxy statement, the Notice of Annual Meeting of Stockholders, the proxy card and our 2025 Annual Report because you owned shares of our Common Stock on the record date of February 2, 2026.

### Why did I receive a Notice Regarding Internet Availability of Proxy Materials in the mail instead of a printed set of proxy materials?

Pursuant to rules adopted by the Securities and Exchange Commission (“SEC”), we are permitted to furnish our proxy materials over the Internet to our stockholders by delivering a Notice Regarding Internet Availability of Proxy Materials (the “Notice”) in the mail rather than mailing printed copies of a full set of proxy materials. The Notice instructs stockholders on how to access and review the proxy statement, the 2025 Annual Report over the Internet at [www.proxyvote.com](http://www.proxyvote.com). The Notice also instructs stockholders on how they may submit their proxy over the telephone or Internet and vote online at the Annual Meeting. If a stockholder who received a Notice would like to receive a printed copy of our proxy materials, such stockholder should follow the instructions for requesting these materials contained in the Notice.

### What is a virtual Annual Meeting?

The Annual Meeting will be conducted as a virtual meeting of stockholders by means of a live webcast. We believe that hosting a virtual meeting will enable greater stockholder attendance and participation from any location, improved communication and cost savings to our stockholders. You can virtually attend the Annual Meeting by registering at [www.virtualshareholdermeeting.com/FLUX2026](http://www.virtualshareholdermeeting.com/FLUX2026) in advance of the Annual Meeting. Upon completing your registration, you will receive further instructions via email, including a unique link that will allow you access to the Annual Meeting and to vote and submit questions during the Annual Meeting via the Internet. There will not be a physical meeting location and you will not be able to attend in person.

We invite you to virtually attend the Annual Meeting and request that you vote on the proposals described in this proxy statement. However, you do not need to attend the virtual meeting to vote your shares. Instead, you may vote by Internet, by telephone, or, if you requested and received paper copies of the proxy materials by mail, you may also vote by completing and mailing your proxy card.

The Annual Meeting starts at 10:00 a.m. (Pacific Daylight Time) on Thursday, March 26, 2026. We encourage you to access the meeting website prior to the start time to allow time for check-in. If you encounter any difficulties accessing the virtual meeting during the check-in or meeting time, please call the technical support number that will be posted on the virtual shareholder meeting log-in page.

To access the Annual Meeting, follow the instructions on your Notice or proxy card (if you requested and received a printed copy of the proxy materials). If your shares are not registered in your own name and you plan to vote your shares during the virtual Annual Meeting, you should contact your broker or agent to obtain a legal proxy or broker’s proxy card and have it available during the virtual Annual Meeting in order to vote.

If you wish to submit a question the day of the Annual Meeting, you may log in to the virtual meeting platform at the unique link provided to you via email after registering in advance at [www.virtualshareholdermeeting.com/FLUX2026](http://www.virtualshareholdermeeting.com/FLUX2026) using the procedure described above, type your question into the “Ask a Question” field, and click “Submit.” Questions pertinent to meeting matters will be answered during the Annual Meeting, subject to time constraints. Questions regarding personal matters, including those related to employment, are not pertinent to Annual Meeting matters and, therefore, will not be answered.

### What am I voting on?

There are two matters scheduled for a vote:

- Election of Krishna Vanka, Dale T. Robinette, Michael Johnson, Lisa Walters-Hoffert and Mark F. Leposky as directors, to serve until the 2027 annual meeting of stockholders or until their respective successor(s) have been elected or appointed.
- Ratification of the appointment of Haskell & White LLP as our independent registered public accounting firm for the fiscal year ending June 30, 2026.

### **Who can vote at the Annual Meeting?**

Only stockholders of record at the close of business February 2, 2026 will be entitled to vote at the Annual Meeting. On this record date, there were 21,340,135 shares of the Company's common stock ("Common Stock") outstanding, our only class of voting stock. The holders of our Common Stock have the right to one vote for each share of Common Stock they held as of the record date.

In conformance with Nevada law, a list of stockholders entitled to vote at the meeting will be accessible for ten days prior to the meeting at our principal place of business, 2685 S. Melrose Drive, Vista, CA 92081, between the hours of 9:00 a.m. and 5:00 p.m. (Pacific Daylight Time).

### **How do I vote?**

If on February 2, 2026, your shares were registered directly in your name with our transfer agent, Equiniti Trust Company, LLC, then you are a stockholder of record. Stockholders of record may vote by using the Internet, by telephone or (if you received a proxy card by mail) by mail as described below. Stockholders also may attend the virtual meeting and vote electronically. If you hold shares through a bank or broker, please refer to your proxy card, Notice or other information forwarded by your bank or broker to see which voting options are available to you.

- You may vote by using the Internet at [www.proxyvote.com](http://www.proxyvote.com) by following the instructions for Internet voting on the Notice or proxy card mailed to you. Internet voting is available 24 hours a day and will be accessible until 11:59 p.m. Eastern Time on March 25, 2026. Easy-to-follow instructions allow you to vote your shares and confirm that your instructions have been properly recorded.
- You may vote by telephone by dialing (800) 690-6903 and following the instructions for voting by phone on the Notice or (if you received a proxy card by mail) the proxy card mailed to you. Telephone voting is available 24 hours a day and will be accessible until 11:59 p.m. Eastern Time on March 25, 2026. Easy-to-follow voice prompts allow you to vote your shares and confirm that your instructions have been properly recorded.
- You may vote by mail by requesting, completing and mailing in a paper proxy card, as outlined in the Notice. The method you use to vote will not limit your right to vote at the Annual Meeting if you decide to virtually attend the Annual Meeting. Mailed proxy cards must be received by March 25, 2026.
- You may vote electronically at the Annual Meeting using the unique link provided to you via email after registering in advance at [www.virtualshareholdermeeting.com/FLUX2026](http://www.virtualshareholdermeeting.com/FLUX2026) using the procedure described above, and using your unique control number that was included in the proxy materials that you received in the mail.

If on February 2, 2026, you held your shares in "street name" (held in the name of a bank, broker or other holder of record), you will receive instructions from the holder of record. You must follow the instructions of the holder of record in order for your shares to be voted. Telephone and Internet voting also will be offered to stockholders owning shares through certain banks and brokers. If your shares are not registered in your own name and you plan to vote your shares in person at the Annual Meeting, you should contact your broker or agent to obtain instructions on how to vote at the Annual Meeting.

You do not need to attend the virtual Annual Meeting to vote your shares. Shares represented by valid proxies, received in time for the Annual Meeting and not revoked prior to the Annual Meeting, will be voted at the Annual Meeting. For instructions on how to change or revoke your proxy, see "Can I change my vote after submitting my proxy?" below.

### **What if I return a proxy card but do not make specific choices?**

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted (i) "**FOR**" the election of all five director nominees and (ii) "**FOR**" ratification of the appointment of Haskell & White LLP as our independent registered public accounting firm for the fiscal year ending June 30, 2026, as disclosed herein. However, if you are not a record holder, such as where your shares are held through a broker, nominee, fiduciary or other custodian, you must provide voting instructions to the record holder of the shares in accordance with the record holder's requirements in order for your shares to be properly voted. If any other matter is properly presented at the meeting, your proxy (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

### **Who is paying for this proxy solicitation?**

We will pay for the entire cost of soliciting proxies. In addition to these mailed proxy materials, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

### **What does it mean if I receive more than one proxy card or Notice?**

If you receive more than one proxy card or Notice, your shares are registered in more than one name or are registered in different accounts. Please complete, sign and return **each** proxy card or submit a proxy for **each** Notice to ensure that all of your shares are voted.

### **What if I share an address with another stockholder of Flux?**

If you reside at the same address as another Flux stockholder, you and other Flux stockholders residing at the same address may receive a single copy of the Notice Regarding Internet Availability of Proxy Materials. This process, which has been approved by the SEC, is called “householding.” Once you receive notice from your broker or other nominee record holder that it will be “householding” our proxy materials, the practice will continue until you are otherwise notified or until you notify them that you no longer want to participate in the practice. Stockholders who participate in householding will continue to have access to and utilize separate proxy voting instructions.

If you wish to receive a separate copy of the Notice Regarding Internet Availability of Proxy Materials, you may do so by making a written request to: Flux Power Holdings, Inc., 2685 S. Melrose Drive, Vista, CA 92081, Attention: Corporate Secretary, or an oral request by calling (877) 505-3589. Upon your written or oral request, we will promptly deliver a separate copy to you. If you want to receive your own set of our proxy materials in the future or, if you share an address with another stockholder and together both of you would like to receive only a single set of proxy materials, you should contact your broker or other nominee record holder directly or you may contact use at the above address and phone number. The 2025 Annual Report, proxy statement and Notice are also available at [www.proxyvote.com](http://www.proxyvote.com).

### **Can I change my vote after submitting my proxy?**

Yes. You can revoke your proxy at any time before the final vote at the Annual Meeting. You may revoke your proxy in any one of three ways:

- If you receive a proxy card, you may submit another properly completed proxy card with a later date.
- You may re-vote by Internet or by telephone as instructed above.
- You may send a written notice that you are revoking your proxy to the Corporate Secretary of the Company at 2685 S. Melrose Drive, Vista, CA 92081.
- You may virtually attend the Annual Meeting and vote electronically by registering at [www.virtualshareholdermeeting.com/FLUX2026](http://www.virtualshareholdermeeting.com/FLUX2026) in advance of the Annual Meeting. Upon completing your registration, you will receive further instructions via email, including a unique link that will allow you access to the Annual Meeting and to vote and submit questions during the Annual Meeting using your unique control number that was included in the Proxy Materials that you received in the mail. Simply attending the meeting will not, by itself, revoke your proxy.

### **Who will solicit proxies on behalf of our Board of Directors?**

Proxies may be solicited on behalf of our Board of Directors, without additional compensation, by the Company’s directors and employees.

The original solicitation of proxies by mail may be supplemented by telephone, telegram, facsimile, electronic mail, and personal solicitation by our directors and officers (who will receive no additional compensation for such solicitation activities). You may also be solicited by advertisements in periodicals, press releases issued by us and postings on our corporate website at [www.fluxpower.com](http://www.fluxpower.com). Unless expressly indicated otherwise, information contained on our corporate website is not part of this proxy statement.

### **How are votes counted?**

Votes will be counted by the inspector of election appointed for the Annual Meeting, who will separately count “**FOR**” and “**AGAINST**” votes, “**WITHHELD**” votes, abstentions and broker non-votes. Abstentions will be counted as present for purposes of determining the presence of a quorum. For Proposal 1, directors are elected by a plurality vote. “Plurality” means that the five director nominees who receive the largest number of votes cast “**FOR**” such nominees will be elected as directors. As a result, any shares not voted “**FOR**” a particular nominee (whether as a result of a “**WITHHOLD**” vote, abstention or a broker non-vote, as described in the next paragraph) will not be counted in such nominee’s favor and will have no effect on the outcome of the election. For Proposal 2, an affirmative vote of at least a majority of the shares present at the Annual Meeting and entitled to vote, either in person or by proxy is required to ratify the appointment of Haskell & White LLP as our independent registered accounting firm. Abstentions will have the same effect as a vote “**AGAINST**” Proposal 2. Broker non-votes, if any, will have the same effect as a vote “**AGAINST**” Proposal 2.

## [Table of Contents](#)

If your shares are held by your bank or broker as your nominee (that is, in “street name”), you will need to obtain a voting instruction form from the institution that holds your shares and follow the instructions included on that form regarding how to instruct your broker to vote your shares. If you do not give instructions to your broker, your broker can vote your shares with respect to “discretionary” items, but not with respect to “non-discretionary” items. Discretionary items are proposals considered routine under the rules of the New York Stock Exchange (“NYSE”) on which your broker may vote shares held in street name without your voting instructions. Proposal 2 for the ratification of the appointment of Haskell & White LLP is considered routine and therefore brokers generally have discretionary authority to vote shares held in street name. However, several large brokers have recently announced that they were eliminating the practice of discretionary voting of uninstructed shares, including on matters generally identified as “routine”. On non-discretionary items for which you do not give your broker instructions, the shares will be treated as broker non-votes. Under current NYSE rules, any election of a member of the Board of Directors, whether contested or uncontested, is considered “non-discretionary” and therefore brokers are not permitted to vote your shares held in street name for the election of directors in the absence of instructions from you. Proposal 1 is a non-discretionary matter and therefore if you hold your shares through a broker, nominee, fiduciary or other custodian, your shares will not be voted on that proposal unless you provide voting instructions to the record holder.

### **How many votes are needed to approve each proposal?**

- For Proposal 1, directors are elected by a plurality of the votes cast with respect to such director. This means that nominees receiving the most “**FOR**” votes will be elected. Abstentions and broker non-votes are not considered votes cast on this proposal and will not have any effect on the election of directors.
- To be approved, Proposal 2, to ratify the appointment of Haskell & White LLP as our independent registered public accounting firm for the fiscal year ending June 30, 2026, must receive an affirmative vote of at least a majority of the shares present at the Annual Meeting and entitled to vote, either in person or by proxy. Abstentions will have the same effect as a vote “**AGAINST**” Proposal 2. Broker non-votes, if any, will have the same effect as a vote “**AGAINST**” Proposal 2.

### **What is the quorum requirement?**

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if a majority of all shares outstanding on February 2, 2026, the record date, are represented at the meeting by stockholders present online or by proxy. On the record date, there were in the aggregate 21,340,135 shares of Common Stock outstanding and entitled to vote. Thus 10,670,068 shares must be represented by stockholders present at the Annual Meeting or by proxy to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy vote or vote at the Annual Meeting. Abstentions and broker non-votes will be counted towards the quorum requirement.

### **How will my shares be voted if I mark “Abstain” on my proxy card?**

We will count a properly executed proxy card marked “Abstain” as present for purposes of determining whether a quorum is present, but the shares represented by that proxy card will not be voted at the Annual Meeting for the proposals so marked.

### **How can I find out the results of the voting at the Annual Meeting?**

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be available on a Current Report on Form 8-K filed with the SEC within four business days after the end of the Annual Meeting.

### **When are stockholder proposals and nominations for director due for next year’s Annual Meeting?**

If you wish to submit a proposal to be considered for inclusion in next year’s proxy materials, your proposal must be in proper form according to SEC Regulation 14A, Rule 14a-8 and received by the Secretary of the Company on or before October 13, 2026. If you wish to submit a proposal to be presented at the 2027 Annual Meeting of Stockholders, but which will not be included in the Company’s proxy materials, including to nominate a director, your notice must be received by the Corporate Secretary of the Company at Flux Power Holdings, Inc., 2685 S. Melrose Drive, Vista, CA 92081, Attn: Corporate Secretary, no earlier than November 12, 2026 and no later than December 12, 2026. Proposals that are not received in a timely manner will not be voted on at the 2027 annual meeting of stockholders. To comply with the universal proxy rules, stockholders who intend to solicit proxies in support of director nominees other than the Company’s nominees must provide notice that sets forth the information required by Rule 14a-19 under the Securities Exchange Act of 1934 no later than January 25, 2027. If a proposal is received on time, the proxies that management solicits for the meeting may still exercise discretionary voting authority on the proposal under circumstances consistent with the proxy rules of the SEC. You are advised to review our amended and restated bylaws (the “bylaws”), which contain additional requirements about advance notice of stockholder proposals and director nominations. Stockholders may request a free copy of our bylaws by contacting our Corporate Secretary at 2685 S. Melrose Drive, Vista, CA 92081, Attn: Corporate Secretary.

## CORPORATE GOVERNANCE AND BOARD MATTERS

### Board Leadership Structure and Role in Risk Oversight

Our Board of Directors (“Board”) recognizes that one of its key responsibilities is to evaluate and determine its optimal leadership structure to provide independent oversight of management. Our Board is currently led by a Chairman of the Board who also serves as our Chief Executive Officer. The Board understands that the right Board leadership structure may vary depending on the circumstances, and our independent directors periodically assess these roles and the Board leadership to ensure the leadership structure best serves the interests of the Company and stockholders.

On September 10, 2021, the Board adopted the Lead Independent Director Guidelines (“Guidelines”). The Guidelines provide that when the positions of Chief Executive Officer and Chairman of the Board are combined or the Chairman is not an independent director, the independent directors will appoint a lead independent director to serve with the authority and responsibility described in such Guidelines, and as the Board and/or the independent directors may determine from time to time. The Guidelines are available on our website at [www.fluxpower.com](http://www.fluxpower.com). The responsibilities of the Lead Independent Director, if required under the Guidelines, include, among others: (i) serving as primary intermediary between non-employee directors and management; (ii) working with the Chairman of the Board to approve the agenda and meeting schedules for the Board; (iii) working with the Chairman of the Board as to the quality, quantity and timeliness of the information provided to directors; (iv) in consultation with the Nominating and Governance Committee, reviewing and reporting on the results of the Board and Committee performance self-evaluations; (v) calling additional meetings of independent directors; and (vi) serving as liaison for consultation and communication with stockholders.

Prior to March 10, 2025, Mr. Dutt, previously held the Chairman and Chief Executive Officer roles, and Mr. Robinette previously served as the Lead Independent Director elected by the majority of the Board on September 10, 2021.

On March 10, 2025, Mr. Dutt, our former chairman and Chief Executive Officer, notified the Company’s Board of his decision to retire and resign from his position as director, Chairman of the Board, Chief Executive Officer and President of the Company and its wholly owned subsidiary, Flux Power, effective March 10, 2025. Mr. Dutt’s stepping down is for personal reasons and not due to any disagreement with the Company’s management team or the Company’s Board on any matter relating to the operations, policies or practices of the Company or any issues regarding the Company’s accounting policies or practices.

In light of the anticipated transition, the Nominating and Governance Committee of the Board determined that it would be in the best interest of the Company and its stockholders if the position of Chairman of the Board was held by a non-executive member of the Board on a going forward basis. Accordingly, upon Mr. Dutt’s retirement on March 10, 2025, the Board appointed Mr. Dale T. Robinette as the new Chairman of the Board, effective March 10, 2025. Since Mr. Robinette is an independent director, we do not and will not have a Lead Independent Director until required to have one under our Independent Director Guidelines.

In connection with Mr. Dutt’s retirement, the Board appointed Mr. Robinette as the new Chairman of the Board, effective March 10, 2025. Mr. Robinette also currently serves as an independent director, chairperson of the Compensation Committee, and a member of both the Audit Committee and the Nominating and Governance Committee. In addition, the Board appointed Mr. Vanka as director, Chief Executive Officer and President of the Company and Flux Power, effective March 10, 2025.

Mr. Robinette possesses understanding and knowledge of the business and affairs of the Company and has the ability to devote a substantial amount of time to serve as our Chairman. The Board believes the appointment of a strong independent director as Chairman and the use of regular executive sessions of the non-management directors, along with a majority of the Board being composed of independent directors, allow the Board to maintain effective oversight of management.

[Table of Contents](#)

In addition, our Board as a whole has responsibility for risk oversight. Our Board exercises this risk oversight responsibility directly and through its committees. The risk oversight responsibility of our Board and its committees is informed by reports from our management teams to provide visibility to our Board about the identification, assessment and management of key risks, and our management’s risk mitigation strategies. Our Board has primary responsibility for evaluating strategic and operational risk, including related to significant transactions. Our audit committee has primary responsibility for overseeing our major financial and accounting risk exposures, and, among other things, discusses guidelines and policies with respect to assessing and managing risk with management and our independent auditor. Our compensation committee has responsibility for evaluating risks arising from our compensation and people policies and practices. Our nominating and corporate governance committee has responsibility for evaluating risks relating to our corporate governance practices. Our committees and management provide reports to our Board on these matters.

In its governance role, and particularly in exercising its duty of care and diligence, our Board is responsible for ensuring that appropriate risk management policies and procedures are in place to protect the Company’s assets and business. Our Board has broad and ultimate oversight responsibility for our risk management processes and programs and executive management is responsible for the day-to-day evaluation and management of risks to the Company.

**Board Composition, Committees and Independence**

Under the rules of Nasdaq, “independent” directors must make up a majority of a listed company’s Board of Directors. In addition, applicable Nasdaq rules require that, subject to specified exceptions, each member of a listed company’s audit and compensation committees be independent within the meaning of the applicable Nasdaq rules. Audit committee members must also satisfy the independence criteria set forth in Rule 10A-3 under the Exchange Act.

Our Board has undertaken a review of the independence of each director and considered whether any director has a material relationship with us that could compromise the director’s ability to exercise independent judgment in carrying out his or her responsibilities. As a result of this review, our Board determined that Ms. Walters-Hoffert, and Messrs. Robinette and Leposky are independent directors as defined in the listing standards of Nasdaq and SEC rules and regulations. A majority of our directors are independent, as required under applicable Nasdaq rules. As required under applicable Nasdaq rules, our independent directors meet in regularly scheduled executive sessions at which only independent directors are present.

**Board Committees**

Our Board has established an Audit Committee, a Compensation Committee, and a Nominating and Governance Committee. The composition of each of the committees is set forth below.

Our Board has determined that each member of the Audit Committee, the Compensation Committee, and the Nominating and Governance Committee meets the applicable rules and regulations regarding “independence” and also that each member of our Audit Committee, the Compensation Committee, and the Nominating and Governance Committee is free of any relationship that would interfere with his or her individual exercise of independent judgment with regard to the Company.

**Audit Committee**

The Audit Committee of the Board of Directors currently consists of three independent directors of which at least one, the Chairperson of the Audit Committee, Ms. Walters-Hoffert, qualifies as an audit committee financial expert within the meaning of SEC regulations. Messrs. Robinette and Leposky serve as members of the Audit Committee. The Audit Committee’s duties are to recommend to our Board of Directors the engagement of the independent registered public accounting firm to audit our consolidated financial statements and to review our accounting and auditing principles. The Audit Committee reviews the scope, timing and fees for the annual audit and the results of audit examinations performed by any internal auditors and independent public accountants, including their recommendations to improve the system of accounting and internal controls. The Audit Committee will at all times be composed exclusively of directors who are, in the opinion of our Board of Directors, free from any relationship that would interfere with the exercise of independent judgment as a committee member and who possess an understanding of consolidated financial statements and generally accepted accounting principles. Our Audit Committee operates under a written charter, which is available on our website at [www.fluxpower.com](http://www.fluxpower.com).

Each of the members of our Compensation Committee are independent under Nasdaq's independence standards for compensation committee members. Our chief executive officer often makes recommendations to the Compensation Committee and the Board concerning compensation of other executive officers. The Compensation Committee seeks input on certain compensation policies from the chief executive officer. Our Compensation Committee operates under a written charter, which is available on our website at [www.fluxpower.com](http://www.fluxpower.com).

### ***Nominating and Governance Committee***

The Nominating and Governance Committee operates under a written charter, which is available on our website at [www.fluxpower.com](http://www.fluxpower.com).

We seek directors with established strong professional reputations and experience in areas relevant to the strategy and operations of our business. ### **Indemnification Agreements**

We execute a standard form of indemnification agreement ("Indemnification Agreement") with each of our Board members and executive officers (each, an "Indemnitee").

[Table of Contents](#)

Pursuant to and subject to the terms, conditions and limitations set forth in the Indemnification Agreement, we agreed to indemnify each Indemnitee, against any and all expenses incurred in connection with the Indemnitee's service as our officer, director and or agent, or is or was serving at our request as a director, officer, employee, agent or advisor of another corporation, partnership, joint venture, trust, limited liability company, or other entity or enterprise but only if the Indemnitee acted in good faith and in a manner he reasonably believed to be in or not opposed to our best interest, and in the case of a criminal proceeding, had no reasonable cause to believe that his conduct was unlawful. In addition, the indemnification provided in the indemnification agreement is applicable whether or not negligence or gross negligence of the Indemnitee is alleged or proven. Additionally, the Indemnification Agreement establishes processes and procedures for indemnification claims, advancement of expenses and costs and contribution obligations.

In addition to the inclusion of terms relating to change in control, termination, severance, benefits and the acceleration of vesting of options and restricted stock units upon certain events, the Dutt Employment Agreement memorialized Mr. Dutt's continued services as the president and chief executive officer of the Company and its wholly-owned subsidiary, Flux Power, and the terms pursuant to which he would provide such services. Pursuant to the terms of the Dutt Employment Agreement, Mr. Dutt's annual base salary was \$375,000. To ensure a smooth transition, on March 10, 2025, the Company entered into an Amendment to Mr. Dutt's Amended and Restated Employment Agreement, dated February 17, 2021 (the "Amendment to Dutt Employment Agreement," and together with the Amended and Restated Employment Agreement, the "Dutt Employment Agreement"). In addition, Mr. Royal will be eligible for a 60% cash bonus, as a percentage of base salary, and incentive stock options to purchase up to 55,000 shares of the Company's common stock (the "Options") under the 2021 Plan. Current executive officers of the Company have agreed in writing to the terms and conditions of the Clawback Policy. **Required Disclosure of the Relationship Between Compensation Actually Paid And Financial Performance Measures**

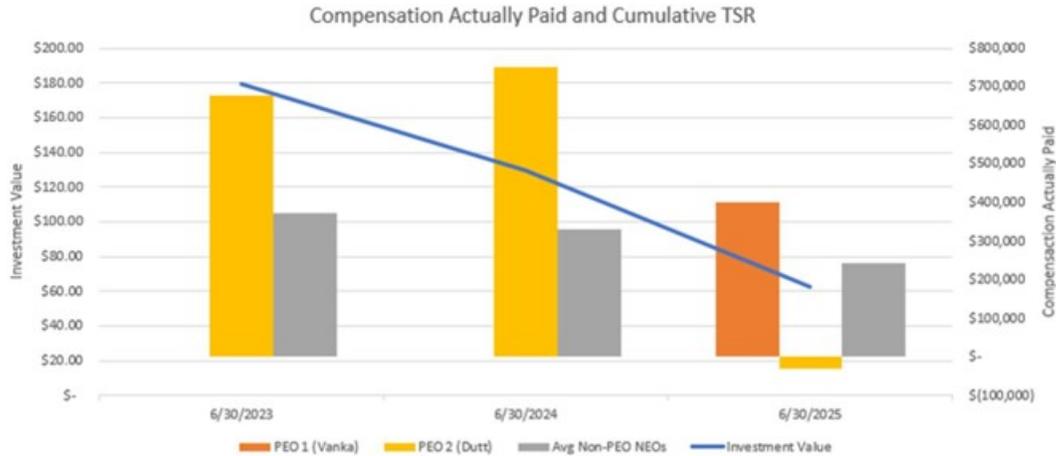

As required by Item 402(v) of Regulation S-K, we are providing the following information to illustrate the relationship between the pay and performance figures that are included in the pay versus performance tabular disclosure above. As noted above, CAP for purposes of the tabular disclosure was calculated in accordance with SEC rules and does not fully represent the actual final amount of compensation earned by or actually paid to our NEOs during the applicable fiscal years. Under Item 402(v)(8), smaller reporting companies must provide this relationship description for the following performance measures:

- Cumulative TSR for the Company shown in Column (f); and
- The Company’s net income (loss) shown in column (g).

We utilize certain performance measures to align executive compensation with our performance. Part of the compensation our NEOs are eligible to receive consists of annual cash bonuses which are designed to provide appropriate incentives to our executives to achieve defined annual corporate goals and to reward our executives for individual achievement of performance objectives. We also view stock options, which are an integral part of our executive compensation program, as related to company performance although not directly tied to TSR, because they provide value only if the market price of our common stock increases, and if the executive officer continues in our employment over the vesting period. These stock option awards strongly align our executive officers’ interests with those of our stockholders by providing a continuing financial incentive to maximize long-term value for our stockholders and by encouraging our executive officers to continue in our employment for the long-term.

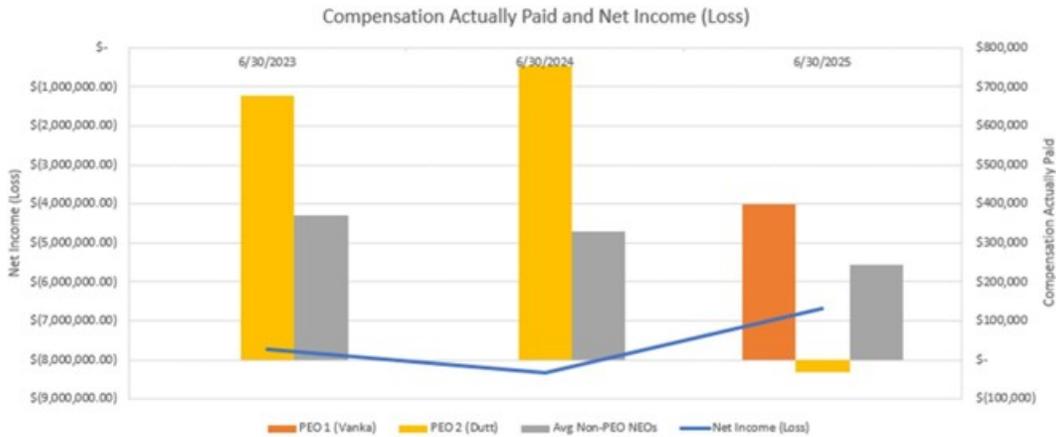

**Compensation Actually Paid and Cumulative TSR**

The following graph sets forth the relationship between CAP to our PEO, the average of CAP to our other NEOs, and our cumulative TSR during the applicable year over the three fiscal-year period from 2023 through 2025:

**Compensation Actually Paid and Net Income (Loss)**

The following graph sets forth the relationship between CAP to our PEO, the average of CAP to our other NEOs, and our net income (loss) during the applicable year over the three fiscal-year period from 2023 through 2025:

## CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS AND DIRECTOR INDEPENDENCE

The following includes a summary of certain relationships and transactions since July 1, 2023 and any currently proposed transactions, to which we were or are to be a participant, in which (1) the amount involved exceeded or will exceed the lesser of (i) \$120,000 or (ii) one percent (1%) of the average of our total assets for the last two completed fiscal years, and (2) any of our directors, executive officers or holders of more than five percent (5%) of our capital stock, or any affiliate or member of the immediate family of the foregoing persons, had or will have a direct or indirect material interest other than compensation and other arrangements that are described under the section titled “Director and Executive Compensation.”

Pursuant to the Audit Committee’s written charter, our Audit Committee has the responsibility to review, approve and oversee transactions between the Company and any related person (as defined in Item 404 of Regulation S-K) and any potential conflict of interest situations on an ongoing basis, in accordance with our policies and procedures, and to develop policies and procedures for the Audit Committee’s approval of related party transactions.

### LINE OF CREDIT FACILITY AND SUBORDINATED UNSECURED PROMISSORY NOTE

On November 2, 2023, we entered into a Credit Facility Agreement (the “Credit Facility”) with Cleveland Capital L.P. (“Cleveland” or the “Lender”), a related party due to equity ownership. The Credit Facility provides the Company with a line of credit of up to \$2,000,000 for working capital purposes (“Subordinated LOC”). In connection with the Subordinated LOC, the Company issued a subordinated unsecured promissory note for \$2,000,000 (the “Commitment Amount”) in favor of Cleveland (the “Revolving Note”).

Pursuant to the terms of the Credit Facility, Cleveland agreed to make loans (each such loan, an “Advance”) up to such Lender’s Commitment Amount to the Company from time to time, until July 31, 2027 (the “Due Date”). The Revolving Note accrues interest at Secured Overnight Financing Rate plus nine percent (9%) per annum on each Advance from and after the date of disbursement of such Advance. All indebtedness, obligations and liabilities of the Company to Cleveland are subject to the rights of GBC, pursuant to a Subordination Agreement dated on or about November 2, 2023, by and between Cleveland and GBC (the “Subordination Agreement”). Subject to the Subordination Agreement, the Company may, from time to time, prior to the Due Date, draw down, repay, and re-borrow on the Revolving Note, by giving notice to Cleveland of the amount to be requested to be drawn down. Subject to the Subordination Agreement, the Revolving Note is payable upon the earlier of (i) the Due Date or (ii) on occurrence of an event of Default (as defined in the Revolving Note).

As consideration of Cleveland’s commitment to provide the Advances to the Company, the Company issued Cleveland warrants to purchase 41,196 shares of common stock (the “Advance Warrants”) which rights are represented by a warrant certificate (“Warrant Certificate”). Subject to certain ownership limitations, the Advance Warrants are exercisable immediately from the date of issuance, expire on the five (5) year anniversary of the date of issuance and have an exercise price of \$3.24 per share. The exercise price of the Advance Warrants is subject to certain adjustments, including stock dividends, stock splits, combinations and reclassifications of the common stock. In the event of a Triggering Event (as defined in the Warrant Certificate), the holder of the Advance Warrants will be entitled to exercise the Advance Warrants and receive the same amount and kind of securities, cash or property as such holder would have been entitled to receive upon the occurrence of such Triggering Event if such holder had exercised the rights represented by the Warrant Certificate immediately prior to the Triggering Event. Additionally, upon the holder’s request, the continuing or surviving corporation as a result of such Triggering Event will issue to such holder a new warrant of like tenor evidencing the right to purchase the adjusted amount of securities, cash or property and the adjusted warrant price. See Note 9 – Stockholders’ Equity (Deficit) in our audited consolidated financial statements included elsewhere in this prospectus.

On July 16, 2025, the Company and Cleveland entered into a First Amendment to the Subordinated Unsecured Promissory Note (“Note Amendment”). The Note Amendment amended the due date set forth in the Original Note issued by the Company to Cleveland in connection with the Subordinated LOC. Pursuant to the Note Amendment, the due date under the Original Note was changed from August 15, 2025 to September 30, 2025.

### PRIVATE PLACEMENT

On July 18, 2025, we entered into a Securities Purchase Agreement (the “Purchase Agreement”) with certain accredited investors (the “Initial Purchaser(s)”) pursuant to which the Company agreed to sell an initial aggregate amount of approximately \$2.9 million in Prefunded Warrants (the “Prefunded Warrants”) at a purchase price equal to \$19.369 per warrant (the “Purchase Price”). Each Prefunded Warrant entitled the holder to purchase one share of the Company’s Series A Convertible Preferred Stock, par value \$0.001 per share (the “Series A Preferred Stock”) for \$0.001 per share. Purchasers of Prefunded Warrants were also issued an additional five (5) year warrant to purchase a number of shares of common stock, par value \$0.001 per share equal to fifty percent (50%) of the number of shares of common stock issuable upon conversion of the Series A Preferred Stock (the “Common Warrants,” and together with the Prefunded Warrants, the “Warrants”). On September 15, 2025, the Company entered into an amended and restated securities purchase agreement (the “Amended and Restated Purchase Agreement”) with certain of the Initial Purchasers and certain additional investors (collectively, the “Purchasers”) pursuant to which, among other things, the Purchasers agreed to subscribe for and purchase, and the Company agreed to issue and sell to the Purchasers, an aggregate of 258,144 Prefunded Warrants and 1,214,766 Common Warrants at the Purchase Price for gross proceeds of approximately \$5.0 million (the “Private Placement”). The Purchase Price was paid in cash or, in lieu of cash, cancellation of certain existing debt of the Company.

[Table of Contents](#)

The closing of the Private Placement contemplated by the Amended and Restated Purchase Agreement occurred simultaneously on September 15, 2025 upon the satisfaction of certain customary conditions. As of the closing, there were no shares of Series A Preferred Stock issued or outstanding. The Company intends to use the net proceeds from the Private Placement for general corporate purposes and growth capital.

The Private Placement securities were offered to a small select group of accredited investors, as defined in Rule 501 of Regulation D, all of whom have a substantial pre-existing relationship with the Company. Certain affiliates of the Company participated in the Private Placement, among which included Krishna Vanka, our Chief Executive Officer and director, Kevin Royal, our Chief Financial Officer, Jeffrey Mason, our Chief Operating Officer, Dale Robinette, our director, Michael Johnson, our director, and Cleveland.

**Prefunded Warrant and Common Warrant**

Each Prefunded Warrant has an exercise price per share of Series A Preferred Stock equal to \$0.001 per share. The Prefunded Warrants are immediately exercisable upon the closing of the Private Placement and expire when exercised in full. The exercise price and the number of shares of Series A Preferred Stock issuable upon exercise of each Prefunded Warrant is subject to appropriate adjustments in the event of certain stock dividends and distributions, stock splits, stock combinations, reclassifications or similar events affecting the Series A Preferred Stock.

Each Common Warrant has an initial exercise price of \$1.715, which is equal to the 20-day volume weighted average price (“VWAP”) per share of common stock immediately preceding the closing of the Private Placement (subject to adjustment therein), is exercisable immediately following issuance and has a term of five (5) years from the initial issuance date. The Common Warrant has a “cashless exercise” provision which provides that the Common Warrant can be exercised without further payment to the Company. The exercise price and the number of shares of common stock issuable upon exercise of each Common Warrant is subject to appropriate adjustments in the event of certain stock dividends and distributions, stock splits, stock combinations, reclassifications or similar events affecting the common stock.

In addition, the Warrants may not be exercised in full and may not be exercised to the extent that immediately following such exercise, the holder would beneficially own greater than 4.99% or, at the election of the holder, greater than 9.99% of the Company’s outstanding common stock.

**Registration Rights Agreement**

In connection with the Amended and Restated Purchase Agreement, the Company agreed to enter into a registration rights agreement with the Purchasers, pursuant to which the Company agreed to prepare and file a registration statement with the SEC covering the resale of a number of shares of common stock underlying the Series A Preferred Stock and the Common Warrants issued pursuant to the Amended and Restated Purchase Agreement, and to use its commercially reasonable efforts to cause such registration statement to be declared effective by the SEC within seventy-five (75) days following the date of the registration statement. The Company filed the registration statement in October 2025, which became effective in November 2025.

## REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS<sup>(1)</sup>

The audit committee of our Board of Directors consists of the three non-employee directors named below and operates under a written charter adopted by our Board of Directors. Our Board of Directors annually reviews the Nasdaq listing standards' definition of independence for audit committee members and has determined that each member of the audit committee meets that standard. Our Board of Directors has also determined that Ms. Walters-Hoffert is an audit committee financial expert as described in applicable rules and regulations of the Securities and Exchange Commission.

The principal purpose of the audit committee is to assist our Board of Directors in its general oversight of our accounting and financial reporting processes and audits of our financial statements. The audit committee is responsible for selecting and engaging our independent auditor and approving the audit and non-audit services to be provided by the independent auditor. The audit committee's function is more fully described in its Charter, which our Board of Directors adopted and which the audit committee reviews on an annual basis.

Our management is responsible for preparing our financial statements and our financial reporting process. Haskell & White LLP, our independent registered public accounting firm, is responsible for performing an independent audit of our consolidated financial statements and expressing an opinion on the conformity of those financial statements with U.S. generally accepted accounting principles.

The audit committee has reviewed and discussed with our management the audited financial statements of the Company included in our Annual Report on Form 10-K for the fiscal year ended June 30, 2025 (the "10-K").

The audit committee has also reviewed and discussed with Haskell & White LLP the audited financial statements in the 10-K. In addition, the audit committee discussed with Haskell & White LLP those matters required to be discussed by the auditors with the audit committee under the rules adopted by the Public Company Accounting Oversight Board (the "PCAOB"), including General Auditing Standards 1301, *Communications with Audit Committees*. Additionally, Haskell & White LLP provided to the audit committee the written disclosures and the letter required by the applicable requirements of the PCAOB regarding the independent accountant's communications with the audit committee concerning independence. The audit committee also discussed with Haskell & White LLP its independence from the Company and satisfied itself as to the independence of Haskell & White LLP.

Based upon the review and discussions described above, the audit committee recommended to the Board of Directors that the audited financial statements be included in the Company's 10-K for filing with the Securities and Exchange Commission.

Submitted by the following members of the audit committee:

Lisa Walters-Hoffert, Chair

Mark F. Leposky

**Vote Required**

Directors are elected by a plurality of the votes properly cast in person or by proxy. Our nominees for director receiving the highest number of votes cast “**FOR**” such nominee will be elected. Any shares not voted “**FOR**” a particular nominee (whether as a result of a “**WITHHOLD**” vote, abstention or a broker non-vote, as described in the next paragraph) will not be counted in such nominee’s favor and will have no effect on the outcome of the election. Shares represented by executed proxies will be voted, if authority to do so is not withheld, “**FOR**” the election of the three nominees named below. However, if you are the beneficial owner of the shares, which means that your shares are held by a brokerage firm, bank, dealer, or other similar organization as your nominee, your shares will not be voted for the election of directors unless you have provided voting instructions to your nominee. If any nominee becomes unavailable for election as a result of an unexpected occurrence, your shares will be voted for the election of a substitute nominee proposed by our current Board of Directors, if any. Each person nominated for election has agreed to serve if elected.

If any substitute nominees are so designated, we will file an amended proxy statement that, as applicable, identifies the substitute nominees, discloses that such nominees have consented to being named in the amended proxy statement and to serve as directors if elected, and includes certain biographical and other information about such nominees required by the applicable rules promulgated by the SEC.

The audit committee of our Board of Directors has selected Haskell & White LLP, independent registered public accounting firm, as our independent auditors for the fiscal year ending June 30, 2026 and has further directed that management submit the selection of independent auditors for ratification by the stockholders at the Annual Meeting.

Neither our bylaws nor other governing documents or law require stockholder ratification of the selection of Haskell & White LLP as our independent registered public accounting firm. However, the Board is submitting the selection of Haskell & White LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the audit committee of our Board of Directors will reconsider whether or not to retain that firm. Even if the selection is ratified, the audit committee of our Board of Directors, in its discretion, may direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders. Representatives of Haskell & White LLP are expected to be present at the Annual Meeting, and will have the opportunity to make statements if they desire to do so and to respond to appropriate questions.

**Vote Required**
